**Re: USA v. Kostin, et al., Case No. 24-cr-00091-GHW**

Dear Judge Woods:

On behalf of Defendant Vadim Wolfson, I write with the government's consent to request that Mr. Wolfson's deadline for submitting a reply brief to the government's omnibus filing (ECF No. 93) be extended from January 6, 2024, to January 13, 2024. Co-defendant Gannon Bond has already requested and received an extension to January 13, 2024. *See* ECF No. 95. Granting Mr. Wolfson the same extension will create a uniform filing deadline. As further good cause, Mr. Wolfson requests the extension given the holidays in between the government's omnibus filing and the present January 6 deadline, and also given the need to evaluate complex technical arguments that the government has made for the first time in Exhibits Q and R of its filing.

Respectfully submitted,

/s/ David Rybicki

*Counsel for Vadim Wolfson*

Application granted. Defendant Wolfson's application for an extension of time to file his Reply to the Government's Opposition, Dkt. No. 96, is granted. The deadline for Defendant Wolfson to file his Reply is extended to January 13, 2025. The Clerk of Court is directed to terminate the motion pending at Dkt. No. 96.

SO ORDERED.
